

SERIES: Easter – The Essentials
Come and See
John 20:24-31

INTRODUCTION

It is our human condition to be doubtful and skeptical, like Thomas. The good news of Easter is God refused to turn away from a doubting human race and refuses to turn away from you. Go ahead and ask questions, test the truth; it is how we grow into children of God. -

4. Re John Chapter 20:24-31. What area of your faith life do you have questions? How can your questions spur growth?
5. Share a time when you doubted God’s presence in your life? Did God show up? Did you move past those feelings? If not, what are ways you can work through your questions?
